

EARLY CHILDHOOD PROGRAM

Extended School Year

Announcing the Extended School Year Program!

We've created an early-childhood extended school year (ESY) program that will run for 9-weeks!

Each week centers on a different theme, like *Under the Sea*, *Camping*, *Superheroes*, and more. There will be plenty of fun and exciting weekly theme-matching activities and Tasteful Tuesdays! Children will have the opportunity to learn and work on:

- Taking turns
- waiting
- following directions
- communication
- social goals
- cooking
- water play

Field trips will take place in-house, allowing for children to experience different sensory output and environmental changes at the center.
